## AUDIT COMMITTEE REPORT

Most Eminent Grand Preceptor, Grand Officers and Knight Priests:

As chairman I have examined the following as provided by the Grand Treasurer for 2019.

Income/Expense Report

Asset Report

Check Register

December 31, 2019 and 2019 bank statement and investment statements.

As a CPA I must make clear that I did not "audit" the books or reports as that term is used professionally. I did not audit the records and offer no assurance on them. I can, however, as a member, make some observations regarding the information.

Reported income agrees with the total of bank deposit for each year and reported total expenses can be reconciled to the total disbursements on the bank statements. All distributions were fully supported by documentation except for four that were substantially so.

As is common for Masonic organizations the Income / Expense report is not complete, in that it reflects only the checking account activity. The reports contain no information about the Money Market or investment accounts except for beginning and ending amounts for the year.

I have also examined the year end bank and investment statements and the value reported on those documents are properly reflected on the Asset Report.

We recommend the acceptance of the Treasurer reports.

It is not necessarily easy to complete the year end accounting in time for this early meeting. We recognize the cooperation of the Treasurer in getting this done so promptly so that it might be examined.

Fraternally submitted,

Duane L. Vaught, K.C., Chairman

Knight Priest Vaught moved adoption of the report.

The motion to accept the report was duly seconded and passed.

Each year the Grand College will receive an invoice and be responsible directly for paying the annual fee for the domain registration and cost of hosting with the Kentropolis Internet Community. Last year that total cost was \$77.50. Lawrence E. 6. A Knight Priest made at sight by the Grand Preceptor, in accordance with VII, paragraph four, will become a member of Grand Preceptor's Tabernacle "A" while he remains in good standing and until such time as he may be elected into membership in the Tabernacle having jurisdiction over his place of residence.
