GRAND PRECEPTOR'S ALLOCATION

To the Officers and Members of the Grand College of America, Holy Royal Arch Knight Templar Priests

Grand Preceptor Terry Lewis Plemons, K.G.C., G.C. delivered his allocation.

Good afternoon, Knight Priests, welcome to the Annual Ingathering of the Grand College of America Holy Royal Arch Knights Templar Priest.

First, a special thank you to the Program Committee of Grand Masonic Week for welcoming us back into the schedule with our old meeting date and time. The Committee was extremely accommodating and welcoming to our Grand College.

In regards to our return to Masonic week, specifics relating to that decision will be addressed in our Jurisprudence Committee Report. However, let me say this, your Officers, Time and Place Committee and Jurisprudence Committee are all in complete agreement on the decision to return to Masonic Week, where our Grand College has met for many years.

Prior to my installation as Grand Preceptor, I received numerous phone calls, emails, as well as in person conversations, each reflecting a desire for the Grand College to return to Masonic Week. The main topic of those discussions reflected the cost to our members for attending a free-standing meeting of the Grand College of America HRAKTP, then Masonic Week, with many also attending the Conference of Grand Masters.

It was my distinct pleasure to receive a Charter from The Grand College Holy Royal Arch Knight Templar Priests and Order of Holy Wisdom in England presented to us by R III Kt Pt Brian Wisbey on behalf of M III Kt Pt Christopher Maiden, Grand High Priest authorizing our Grand College to confer the Order of Holy Wisdom. The Grand High Priest is with us today, and we will offer the floor to him this afternoon for remarks.

Details regarding the conferral of the Order of Holy Wisdom is a work in progress. The desire of your Officers is to have this remain a meaningful and deeply spiritual conferral. Each class is limited in number so as not to diminish the solemnity of the Order. Those chosen to receive The Order of Holy Wisdom this year have received their letters of invitation; existing members of the order are certainly invited to come and witness the conferral later this afternoon. Currently the Order is to remain under the direct control of the Grand College of America, with members being selected annually to receive invitations to the Order much like many of our sister bodies do with their inner orders such as OPC. I leave it to my successors in whom I have great confidence to determine the best path forward regarding the selection of Aspirants for the Order.

I was able to travel to Hinckley to attend the Grand College of England's annual meeting. I was blessed to have our Deputy Grand Preceptor Bill Riggs travel with me. The kind reception and warm fraternal welcome we received from M III Kt Pt Christopher Maiden Grand High Priest, R III Kt Pt Glyn Goddard Grand Recorder, M Em Kt Pt Ian Duff Deputy Grand High Priest and R III Kt Pt Toby Pratt Grand Director of Ceremonies was exceptional. The ties of fraternal brotherhood are strong between our two Grand Colleges and will last for many years to come in great measure because of these great Knight Priests and the Officers of our Grand College. I believe Knight Priest Riggs and I were the first Americans to attend the Grand College of England in full regalia, I hope this tradition will continue.

Two Knights Priests were created at sight this year, Knight Priest Marcos Ostrander and Knight Priest Jim Arnhart. Additionally, a group of Knight Priests petitioned the Grand College for the issuance of a Warrant to form a new Tabernacle which I was pleased to grant. Later this afternoon we will present the Charter to our newest Tabernacle Filius Dei (Son of God) LXXXIV U.D situated in Tennessee.

We communicated with our sister Grand Colleges in England and France our desire to have all official communications to go through our Grand Registrar and his office in Texas. This was met with the favorable approbation of both Grand Colleges.

Knights Priests, sadly we received news from Knight Priest Doug Heygi that due to health he must step out of line, it was with much sadness I accepted his request. This morning I am advancing him to the office of Past Grand Preceptor of our Priestly Order as well as investing him with the Grand Cross of our Order, both of which he would have achieved through his normal progression. As a result, and after consultation with the Officers elected and appointed, I reappointed Knight Priest Duane Vaught to the position he would have held had prior to his removal from Office.

No Grand Presiding Officer is an island unto himself; at the beginning of my term I committed to keeping the Officers of our Grand College informed and up to date on all issues arising during the year. I cannot adequately express my deep appreciation for their time, willingness to serve and involvement in all of our decisions this year affecting our Grand College. I am pleased to tell you, in all discussions your Grand Officers elected and appointed were unanimous in our discussions. Each Grand Preceptor believes he has the best set of Officers, I am of no doubt the Officers this year are the best of the best to whom I am profoundly grateful. Knight Priests, would you be upstanding and join me in thanking your Grand Officers.

Knight Priest Tucker and Elkinton run a very efficient office for our Grand College, each gave freely of their time to help me perform my duties as Grand Preceptor, thank you Knights Priests Larry and John.

Knights Priests, the Committees of the Grand College have all been at work this year, I have called on each of them at various times resulting in good and timely answers. My special thanks to our Committee on Jurisprudence who in my opinion we owe a very tremendous debt, Kt Pt Matthew Dupee, G.C., Joe Manning K.G.C., G.C., and Jeff Nelson, because of your efforts mine were successful.

To the appointed officers I appointed to a one-year term, Kt Pt Justin Huggins, Grand Prelate, Kt Pt Casey Hood, Grand Director of Ceremonies, Kt Pt Richard Petty, Assistant Grand Director of Ceremonies and Kt Pt Robert Officer Preceptor of Tabernacle A, thank you, I believe we made Tennessee proud. To each of the Tabernacles I was able to visit, thank you for honoring the Office I held and more especially for the kindness each of you extended to me personally.

David Goodwin, K.G.C., G.C., thank you for installing me last February and hope your confidence in me has not been misplaced. You have been a confidant, an advisor and friend.

To each of my new friends in England, I take a liberty here by dropping official titles as I wish to convey my heartfelt feelings towards each, Chris Maiden, Toby Pratt, Ian Duff, Glyn Goddard, Steve Pope, I will always cherish our friendship, the fraternal bonds we share, keeping you daily in my prayers. Each of you will long occupy my heart and thoughts, thank you is not sufficient to express my appreciation to all of you. And lest I forget, Malcom Brown and Gordon who had the unenviable task of driving me and Bill Riggs around England, a special thanks.

To my wife Karen, without whose support I would be a lesser man, thank you. Supporting my travels, my late night calls the highs and lows this year, you are the best part of me.

My heartfelt thanks to W Bruce Pruitt, K.G.C, G.G for appointing me to this line. Never did I imagine growing up in a little town in Alabama and later North Georgia, skinning my knees on the farm and fishing in the creeks of North Georgia that I would stand among such giants as yourselves this afternoon. I cannot thank you enough for this singular honor, it has truly been the experience of a lifetime, one I will cherish and remember all the days the Lord gives me.

I cannot end my remarks without mentioning one other, friend to many in this room, the pride of Tennessee, my friend and Masonic Father Kt Pt Sid C Dorris, MWPGM, whose unfaltering support and friendship touched my life in the most unique and heartfelt manner. Sid, I miss you more than words can express, I hope you are smiling down today as I try to remember and live the lessons you taught me.

Kt Pt Toby Pratt shared with me earlier this year, "being the ruler of an order for however long isn't just a badge on our arms, it is about improving the order, expanding it for our brethren, helping those already members to understand its strengths in making us all better and more caring people."

The future is uncertain and constantly changing. You and I, my Knights Priests serve a God who is unchanging, the same yesterday, today and tomorrow.

In closing I share these words from one of my favorite hymns, "Blest be the tie that binds."

Blest be the tie that binds
Our hearts in Christian love;
The fellowship our spirit finds
Is like to that above.

Before our Father's throne,
We pour our ardent prayers;
Our fears, our hopes, our aims are one
Our comfort and our cares.

We share our mutual woes;
Our mutual burdens bear;
And often for each other flows
The sympathizing tear.

May the God of infinite goodness who by the incarnation of his son has driven darkness from the world and by that glorious birth has illumined this day, drive far from you the darkness of vice, and illumine your hearts with the light of virtue.

May God who willed that the great joy of His Sons saving birth being announced to shepherds by the angels fill your minds with the gladness he gives and make you heralds of his gospel.

And May God who by the incarnation brought together the earthly and heavenly realms fill you with the gift of His peace and favor.

Go in peace glorifying God by your life.

Amen

JURISPRUDENCE COMMITTEE REPORT

Matthew D. Dupee, G.C., Chairman

This portion of the jurisprudence Report will deal with the issues related to our return to Masonic Week and will largely focus on the conduct of our leaders and the internal issues of our Grand College related to these decisions. Though the report will, by necessity, refer to our relationship with the Brown Hotel concerning these contract issues, legal issues raised in correspondence with the Hotel will not be published in full in the Proceedings, but will be kept in a confidential archive with the Grand Registrar.

Many of you will recall the 2020 Ingathering that was held in Crystal City. After the serial misrepresentations were made from the dais concerning the status of negotiations and location for the 2021 meeting, our Grand College, by a very wide margin, rejected moving away from Masonic Week. At the time, none of us knew that Covid would disrupt our lives, Masonic and otherwise, for much of the next two years.

On that occasions, Knight Priest Koon, as Chairman of the Time and Place Committee, announced that a three-year contract had been signed with the Brown Hotel – though there had not been any required constitutional authorization from the Grand College to do so – and, after being challenged from the floor, it was not until Grand Preceptor Herndon was asked directly by the undersigned, that it was disclosed and admitted that no contract had been signed.

Many who attended will also recall that serial procedural attempts were made from the dais to thwart consideration of the decision to remain at Masonic Week – all of which (Points of Order, challenges to the Chair, Motion to Table, etc.) were either endorsed or defeated – and the Grand College by an overwhelming majority voted to remain.

Nevertheless, after our decision to remain in the Masonic Week schedule at Crystal City for the 2021 meeting, the Grand College, at the 2021 Ingathering (held by Zoom due to the Covid Pandemic), a motion was made to enter a three-year contract with the Brown Hotel in Louisville, Kentucky.

This motion should have been ruled “out of order” because our Statutes require:

“Invitations for succeeding Annual Grand Ingatherings shall be referred to and determined by Grand College at the current Annual Ingathering, subject to change by unforeseen circumstances.”

The word “current” implies that these matters will be decided on an annual basis. We do not believe there is any precedent, even in the days of the initial move from the Hotel Washington to the Mark Hilton, and subsequently to Reston, that the Grand College Time and Place Committee sought approval beyond the succeeding year at an Annual Ingathering.²

Despite having obtained authorization to sign a three-year contract, neither Grand Preceptor Herndon, nor Knight Priest Koon, apparently did so. The contract with the Brown Hotel for the 2022 meeting was only signed approximately two weeks before the meeting and was a one-year contract [sic] only.

This fact was also not disclosed at the 2022 Ingathering which I quote in pertinent part:

Time and Place Committee Report:

At our last ingathering held via Zoom on May 22, 2021, it was agreed we would sign a 3-year contract with the Brown Hotel in Louisville for 2022, 2023, and 2024. The dates are February 24 & 25, 2023 and February 23 & 24, 2024.

Additionally, despite several requests from our Grand Registrar, no information concerning status of the 2023 and 2024 contracts were provided prior to the conclusion of the 2022 Ingathering meeting in Louisville, when we learned they were signed the night before our 2022 meeting and not disclosed until afterward.

Upon disclosure and review of the 2023 and 2024 contracts by the Grand Officers-- Approximately one month after the 2022 Annual Ingathering—we discovered the 2023 and 2024 one-year contracts [sic] were signed the day before the 2022 Annual Meeting and were also in violation of the Statutes, not being ratified by vote at the 2022 Ingathering.

Had it been disclosed that a three-year contract had not been signed, Grand College could have addressed meeting venues for 2023 and 2024, as required by our Constitution, and the effort of the illegal motion made at the 2021 Ingathering could have been redressed at that time with no additional cost to our Grand College.

Moreover, the contracts included preferential terms for Knight Priest Koon granting him a one-bedroom suite for four (4) nights at a 50% discount of the Contract rate during both the 2022, 23, and 24 years, despite Koon not holding any official office beyond the 2022 year, nor providing that benefit by virtue of any relevant office with Grand College beyond the 2022 year.

The Jurisprudence Committee notes that, given the misrepresentations made at the 2020 meeting, the consideration of the unconstitutional motion at the 2021 meeting, the failure to disclose that a three-year contract was not signed and to obtain authorization for remaining in Louisville at the 2022 meeting, together with the preferential contract terms for the contract negotiator, may be a legitimate avenue of inquiry for discipline by this Grand College.

In any event, once Grand Preceptor Plemons learned of these facts and communicated them with the executive officers and Jurisprudence Committee, a poll was taken of the officer line and it was, but with one exception, the desire of the officers to negotiate a return to Masonic week. In large part, this was done by the opinion that many of our members did not want to have to incur the cost of travel to two national meetings within the same month, that the Grand College may have difficulty in meeting the terms of the negotiated contracts with the Brown Hotel and, not insignificantly, the fact that there were serial violations of our own statutes in the conduct of this venue change, as previously outlined in this report.

After lengthy communications and negotiations with the Brown Hotel, we are very pleased to report today that we were able to successfully negotiate a compromise whereby the Grand College would be released from the 2023 and 2024 contracts for the sum of \$7000, in total. The negotiated cancellation price in the original contracts would have resulted in more than \$80,000 of liability and, in the event that we were unable to make your minimums under the contract, we would likely have substantially exceeded more than the compromise amount.

After a proposed settlement was agreed upon with the hotel, the Grand Officers met by Zoom in accordance with the statutes and unanimously ratified the return to Crystal City, where we are meeting today.

[² This issue was successfully raised at the 2020 Ingathering to require a vote for the succeeding year when, after the above-described procedural wrangling, the move to Louisville was resoundingly defeated.]

Reaffirmation of the Principles of Regularity of Masonic Practice and Membership

Approximately two weeks before our Grand Council session, a number of Masonic organizations, including our own received a document titled "Reaffirmation of the Principles of Regularity of Masonic Practice and Membership" which, at first blush, appears to be a standard recital of the requirements and desirability of regular Masons to maintain affiliations with regular and recognized Masonic Organizations.

The penultimate paragraph of the draft document, however, appears to require our Grand College to consider, take and/or require action from our members on issues related to any "membership in irregular or unrecognized organization [*without definition or enumeration*]".

While we certainly have to make a determination for membership eligibility on Grand Lodges, Grand Chapters and Grand Commanderies and have a vested interest in any regularity issues concerning the Order of Holy Royal Arch Knight Templar Priests, our Grand College has no set criteria and/or ability to make pronouncements on Masonic rites and orders with whom we may now have little knowledge or concern and over which there may be a considerable difference of opinion between regular jurisdictions.

Clearly, if the affiliation rose to the level of a Masonic offence, Grand Lodges, with their well tested and more elaborate disciplinary procedures, would be the appropriate place to adjudicate any member.

These reasons, we have advised the Grand Preceptor not to execute this document in its present form and that any proposed policy concerning Masonic affiliations which could affect the rights of Knight Priests should be adopted by resolution in accordance with our Statutes.

VIII – INSIGNIA OF THE ORDER

1. The official insignia of the Order is a purple cross of Salem, superimposed upon which is a scarlet Delta, both edged in gold. The Official abbreviation of the Order is H.R.A.K.T.P. and/or K.T.P., being respectively Holy Royal Arch Knight Templar Priests, and Knight Templar Priests.

2. This insignia may only be used by the Grand College, not subordinate Tabernacles.

IX – MEMBERSHIP

1. Membership in the Order is by invitation and limited to Knights Templar who have served a full term as Commander of a Commandery, and attained the honor and distinction of Past Commander. Invitations can be issued only after unanimous ballots have been taken at an Ingathering for which Knight Templar Priests have been mailed a notice by a Registrar listing all names of the Past Commanders proposed. In those parts of the Masonic realm where the Grand College has erected Tabernacles, but the style and title are different, the same limitation prevails. The title of a member is "Knight Templar Priest", the plural being "Knights Priests".

2. Tabernacles are limited to an active membership of thirty-three.

3. When a Knight Templar Priest desires to transfer membership from his mother Tabernacle to another, he may do so only upon invitation of the Tabernacle having jurisdiction in his new location. The Grand Registrar must be notified of an approved transfer before it becomes official.

4. Should a Knight Templar Priest remove his residence to such a distance from his mother Tabernacle as might preclude participation in its activities, (a) he may request a transfer to Grand Preceptor's Tabernacle A, or to a Tabernacle in whose jurisdiction he then resides, subject to paragraph 3 above, or (b) his mother Tabernacle may apply for

transfer to Grand Preceptor's Tabernacle A, after a written request to sanction the transfer has been made to said Knight Templar Priest and his written approval obtained.

5. Tabernacles have exclusive jurisdiction in the state or subdivision thereof designated in their Charter. In states where no Tabernacles exist, only Grand Preceptor's Tabernacle "A" may issue an invitation. A Past Commander, who has removed his permanent residence to a state other than in which he served, may be invited to membership, provided the Tabernacle in the state where he now resides secures a written waiver from the Tabernacle of his former jurisdiction prior to extending the invitation.

6. A Knight Priest made at sight by the Grand Preceptor, in accordance with VII, paragraph four, will become a member of Grand Preceptor's Tabernacle "A" while he remains in good standing and until such time as he may be elected into membership in the Tabernacle having jurisdiction over his place of residence.

7. A Knight Priest from another Grand College recognized by the Grand College of America Holy Royal Arch Knight Templar Priests may transfer his membership to the Grand College of America provided such other Grand College permits dual or plural membership, a certificate is issued by the Registrar to indicate the applicant is in good standing, and further that any transferee must be a Past Commander or the equivalent. If approved the Knight Priest would become a member of Grand Preceptor's Tabernacle "A" until determining where to transfer his membership. All action must be approved by the Grand Preceptor after his consulting with the Deputy Grand Preceptor and the Grand Registrar.

8. A proposal for membership of a Past Commander must be made in the county where the Past Commander resides. If it is desired that the Past Commander be proposed for membership in another Tabernacle in a different location, a waiver from such Tabernacle must be obtained. A Past Commander who does not live in the county where a Tabernacle is located may be proposed for membership in any Tabernacle in the State where the Past Commander resides.

X – EMERITUS MEMBERS

1. A Tabernacle may approve an application by any of its active members for Emeritus status by majority vote.

2. A Tabernacle may have no more than sixteen (16) Emeriti Members at any one time.

3. An Emeritus member may not hold an office in his own Tabernacle, or any other Tabernacle, or the Grand College of America, Holy Royal Arch Knight Templar Priests.

4. Emeritus members are subject to per capita dues and assessment by the Grand College and must be included in the Annual Return sent to the Grand Registrar.

XI – HONORARY MEMBERS

1. A member of a Tabernacle may become an Honorary member of another Tabernacle, upon invitation, within his jurisdiction, or in another jurisdiction that permits such membership. The number of Honorary members shall not be counted in computing the numbers of active members of one of our Tabernacles. A Tabernacle may have no more than three honorary members.

2. An Honorary member must retain membership in good standing in his mother Tabernacle to remain an Honorary member of another Tabernacle. As an Honorary member he is only entitled to vote in his mother Tabernacle.

3. No payment of per capita will be collected from an Honorary member except from his mother Tabernacle.

XII – DUAL MEMBERS

1. A member of a Tabernacle may become a Dual Member of another Tabernacle upon invitation, within his jurisdiction, or in another jurisdiction that permits such membership. The number of Dual Members shall not be counted in computing the number of Active Members in the Tabernacle where he is a Dual Member. A Tabernacle may have no more than three Dual Members.
2. A Dual Member may vote in the Tabernacle(s) in which he holds Dual Membership. A Dual Member may hold office in only one Tabernacle at one time.
